School Trips & The Curriculum

The introduction of our new Skills Based

Curriculum will see all the children learning through topics and themes. To ensure the learning is relevant and involves real life and first hand

experiences, all classes will have at least one visit or visitor each half term. Over the year we will ensure that there is a balance of free trips along with those that incur a cost. We will endeavour to give you as much notice as possible as regards cost to enable families to budget. FOSS have offered to help towards the cost wherever possible, but they do need support with ideas and organisation for fundraising.

We believe that for children to have an enjoyable and meaningful education that enables them to achieve their very best they do need the stimulation of visits and education opportunities beyond the classroom.

If you find it a struggle to pay for trips please come and chat with me - no child will be excluded from a trip because you are unable to pay.

FOSS Meeting

As parents of pupils at school you are automatically members of FOSS (Friends of Sledmere School).

The first meeting of the new year is at The Triton on Wednesday 23rd September at 6.30pm. These are always very friendly occasions and give you the opportunity to meet other parents and have an input into events that are organised by FOSS.

Please put the date in your diary - it would be lovely to see a lot of you there.

Midday Supervisory Assistant

We are looking for someone to join our school team as a lunchtime supervisor. This post is for 5 hours per week between 12 noon and 1pm to assist the senior lunchtime supervisor to ensure the safety and welfare of children at lunchtime.
